Kalamazoo Point Number Seven

The Kalamazoo Loose Leaf Binder has exceptional Accessibility

THE "KALAMAZOO" Loose Leaf Binder will do everything that any other binder will do and do them better. ∴ ∴ ∴

¶ It has no complicated mechanism to get out of order and no exposed metal parts to injure the desk.

¶ It lies close to the desk—much closer than any other—and the writing surface is firm and flat.

¶ It will hold any number of sheets from one sheet up to one thousand, and every sheet is as secure as in a bound book. ∴ ∴ ∴ ∴

¶ It is light in weight, strong, durable, easy of operation and capable of unusual expansion. ∴

¶ The "Kalamazoo" binder can be made in any size and to suit any purpose. ∴ ∴ ∴

¶ Booklet "B" describing the Kalamazoo Binder may be had for the asking, or a City representative will be glad to show you the binder itself. ∴

Warwick Bros. & Rutter, Limited

Loose Leaf & Account-Book Makers

Toronto

King & Spadina

WE ARE MANUFACTURERS of books of every kind and description—books to write in and books to read—blank account books and loose leaf books—books bound in paper, cloth and leather—books for the office and books for the library. We have, ourselves, devoted many years to learning how to do it, and most of our staff have been trained in our own factory and under direct supervision. -:- -:- -:- -:-

The Making of Books:

Books and Catalogues

We have one of the largest and best equipped Printing and Book-binding plants in Canada, equipped with the best in type, type-setting machines, presses, and book-binding machinery of every kind. We have printed and are printing some of the finest catalogues and books issued in this country and we do everything under our own roof.

Magazines and Publications

Special facilities are required for the printing and issuing of magazines. They must be done quickly and accurately and they must be out on time. We have the necessary plant, the workmen, a full and accurate knowledge of the work required and ability to undertake any work of this kind.

Account Books

We have for many years made a specialty of the making of Account books. We use none but the highest grades of paper, leather and boards, and every book made by us is guaranteed as to quality and workmanship.

Loose Leaf Books

With the manufacture of Account Books has come the making of Loose Leaf Devices. We are sole Canadian manufacturers of the "Kalamazoo" Loose Leaf Binder; and we also make to order sheets to fit any kind of binder and binders to fit any kind of sheets. Sectional and Solid Post Binders, Spring Backs and all kinds of Loose Leaf Systems are furnished on short notice.

FINE ANTIQUE FURNITURE

The "Different" Kind

DO YOU wish your furniture a duplicate of what one may see in a thousand homes in your city, or do you wish fine old pieces, unlike any others you ever saw, pieces of Solid African Rosewood, Spanish Mahogany, or Walnut, beautifully carved, with the graceful lines of the Louis XV period, or of the more simple Colonial Design? These cost no more than new Mahogany, and have that subtle air of distinction which only the old models possess, coming as they do from homes of refinement which they have graced from seventy to a hundred or more years.

We believe that we have the most unusual stock in this line to be found anywhere, and at very moderate prices. We will be glad to show our unique collection to anyone who appreciates the beautiful and artistic, whether he contemplates buying or not. We also have a large line of old Rugs, Brasses, China, and Jewellery in exclusive designs, and make a specialty of careful packing and shipping for out-of-town customers.

Scientist and Student of Anatomy.

When the ladies of Toronto have tried all the ready-made and lavishly advertised corsets in vain to find comfort, **FIT,** and deportment, they will be well repaid by a visit to a life-long student of anatomy and practical corset maker, who makes comfort, health and appearance run hand in hand.

Mr. Space User,
Terminal Street,
Toronto.

Dear Sir:-

Ten years ago, there were not more than 100,000 imitation typewritten letters mailed in Canada.

It is estimated that during the year 1912 there will be close on 25,000,000. Surely, a remarkable illustration of growth in DIRECT Advertising.

You need our RELIABLE MAILING LISTS (guaranteed 99% correct) in order to adopt this method of advertising effectively.

Also, to avail yourself of the special rates of our CONTRACT DEPT. This Department takes care of all detail of your requirements in multigraphing, addressing, folding, enclosing, sealing and stamping at contract prices.

Phone Main 2229 that you may know what our organization can do for you; how it can get out your work cheaper and better than is possible in your own Office.

Yours very truly,

MIGHT DIRECTORIES, LIMITED.

J. M. Gardner

Plumbing, Steam and Gas Fitting

As good things here in Baths, Closets, Basins, Sinks, etc., as you'll get anywhere else. Some things better for a great deal less money. It isn't what you pay—it's what you get at a price. We could demand more but we won't. We would ask you less but we can't.

Mr. Sales Devel,

Gentlemen:-

You remember Josh Billings' advice to -

"Konsider the postage stamp,
and its ability to stick to
one thing until it gets there."

Well - stamps are good.

In letter-advertising, their expense is justified only on letters that arrest attention. Letters, that are distinctive in their appearance; and, whose contents express power in diction and argument.

If you wish to send out letters bearing the hallmark of quality - come to us. Our capacity is 60,000 a day.

Yours very truly,
